Jose:

Do you have any other information as to when the trees will be trimmed or removed? Exactly what trees and how many?

When Vision Zero removes the "No Parking" We would like to move the Lincoln Heights Farmers Market to N. Broadway between Workman and Griffin St. with a partial street closure on Sichel, hoping the Council Office can support this move.

Halloween is also coming around the corner and hoping the Council Office will once again support Movie Night at the Farmers Market. Last year was a huge success with Ghostbusters.

Thanks for all your hard work.

Hello,

Per your request from last meeting.

Attached is LAMC 85.02 aka Safe Parking Ordinance.

Here is link to maps by division:

In addition, all tree's on Daly/ Pasadena between Broadway and Figueroa will be either trimmed or removed/ replaced according to department. Once I have a timeline, I will share it with you but do not expect any work for at least 6-9 months as project documents are being finalized.

Finally, I have good news on Vision Zero update and will send in a separate email to all Lincoln Heights Stakeholders.

Thanks,
